Here's how to track your summer reading progress:

1. To log your child's reading information, go to http://sppl.readsquared.com/

2. Click **Login** in the upper righthand corner and enter the username and password you just created.
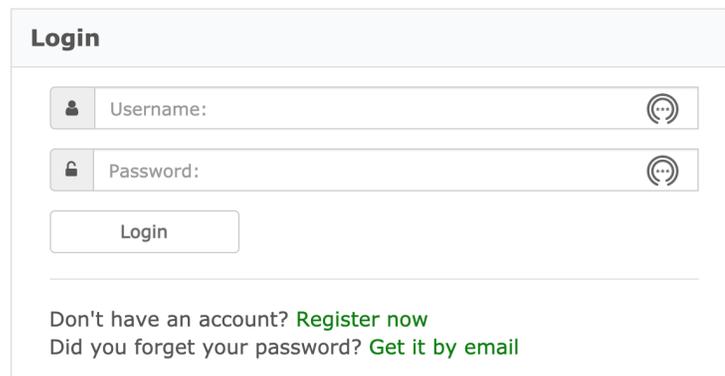

3. Once you're logged in go to the upper left hand corner of the page and select the family member whose reading information you'd like to track.

4. You'll then be taken to their home page which will track their progress over the course of the summer. You'll have an opportunity to win up to 100 points.

   If your child is reading picture books, each picture book is worth 1 point. If your child is reading chapter books each book is worth 5 points. Children enrolled in our Chapter Book program can also earn points by writing book reviews and attending programs.

You'll be eligible to win prizes once you hit the 25, 50 and 100 point mark.
