First you need to make an account. If you used ReadSquared last summer your credentials will no longer work and you WILL have to re-register and sign up using the following process.

1. Go to the South Plainfield Read Squared website: <http://sppl.readsquared.com/>
2. Click the “**Register**” icon in the upper righthand corner.

3. You will be asked who you would like to register for summer reading. If you are only registering one child, please select “**My Child Only**” If you are registering more than one child please select “**My Family (Multiple Children)**”

A screenshot of a registration form. At the top, the word 'Register' is displayed in a large, bold, dark font. To its right is a button with a circular arrow icon and the text 'Start Over'. Below 'Register' is the question 'Who would you like to register?'. At the bottom, there are three buttons: 'My Child Only', 'My Family (Multiple Children)', and 'A Group or Class'. The 'My Family (Multiple Children)' button is highlighted with a light blue background.

4. The dropdown menu will then ask for the age of the person you are registering. **Please select your child's age.**

The image shows a web form titled "Register" with a "Start Over" button. Below the title is a question "How old are you? *" followed by a dropdown menu. The dropdown menu is open, showing a list of age options from "Under 1 Years Old" to "18 Years Old". The first option, "[Select a Value]", is highlighted in blue.
