GETTING STARTED

Create a free user account to take advantage of the tools in *Gale Presents: Peterson's Test and Career Prep*. Sign in to view eBooks, search for schools and scholarships, take practice tests, and save your work to finish or review later.

TAKING ONLINE PRACTICE TESTS

The online practice tests in *Gale Presents: Peterson's Test and Career Prep* assess your skills and knowledge in preparation for exams. Each test offers two or three online practice exams with scoring for multiple choice sections, and sample answers for short answer and essay segments.

Use the search box or drop down menus, and select any level to find relevant online practice tests. Once you click **Select**, the practice test will open.

Click the Practice Tests Link on the homepage, or use the Content menu. Then, select a section of the test, and click Start Quiz! or Continue Quiz...

The test will provide one page of questions at a time. Select answer, and use the **Next Page** and **Previous Page** buttons to move through the test. You can also click links to view a specific question. Use the ☰ button to contract the Practice Tests navigation menu if you do not see individual question links. Your progress is automatically saved, so you can exit the text section at any time and pick up where you left off later.

When you have completed a portion of the exam, use **Submit Quiz** to score the exam.

REVIEWING ONLINE PRACTICE TESTS

Once you complete an exam section, review your answers to understand your performance.

Immediately after submitting your answers, simply view and scroll through the section. Review all of your answers, and **View Feedback** explaining why each response was correct or incorrect. Jump to the bottom of the page to see your final score.

To review your scores and answers later, access the **Class Progress Menu** and scroll to **Quizzes**. Expand **Details**, and click one of the section attempts to review responses and feedback.

SEARCHING FOR SCHOOLS

Gale Presents: Peterson's Test and Career Prep's specialized school searches identify the best institutions for your needs. Access the **Find a School Menu** to locate a school search relevant to your needs. Search by location and program of study to target universities, career programs, and other schools of interest. Use more extensive options available in several of the searches to find a perfect fit based on school size, special programs, sports, and more.

Search results return details about each school, giving you a look at location, enrollment, mid-50 SAT/ACT scores, tuition, and entrance difficulty. College descriptions provide an overview of the campus, admissions, cost, financial aid, student body, and facilities to help you form a complete picture of the school, and discover the ideal experience.

SEARCHING FOR SCHOLARSHIPS

Help fund your education with *Gale Presents: Peterson's Test and Career Prep's* scholarship searches. Use the **Find a School Menu** to access undergraduate and graduate level tools. Search for awards by keyword and explore each award's description, value, requirements, and contacts so that you can begin the application process.
