

# Don't get scammed!!

## Consumer Fraud Presentation

**Please join us as a representative from the New Jersey Division of Consumer Affairs tells us how to AVOID GETTING SCAMMED.**

From the IRS phone scam to lottery and sweepstakes scams, to the so-called grandparent scam, it appears that imposter frauds and other criminal scams are more active than ever — and are preying on potential victims in New Jersey through phone calls, emails, and other means.

Presented by Melanie Hazim, Outreach Director  
for the NJ Division of Consumer Affairs
