

The **Edith Goodrich Homebound Delivery Service** provides FREE delivery & pickup of library materials to any South Plainfield resident who cannot come to the library due to illness or disability. Items are selected based on your preferences and requests – you can tell us exactly what you'd like to receive or you can give us an idea of your interests and let us choose for you! All you have to do is fill out the attached form and return it to the library!

You will be paired with a library volunteer who will work with our staff to get you the titles or material that you request. These volunteers will deliver and pick up materials on a mutually agreed upon schedule. The library has a wide variety of materials available, including large print books as well as a large collection of videos, music CDs and audio books. We are also happy to try and obtain titles that we may not own through our Inter-Library Loan system!
