Your Vote Makes a Difference!

Raymond Petronko

This year voters in South Plainfield will be casting their votes not just for local candidates, but also for president, one U.S. senator, one U.S. congressman, two Middlesex County freeholders and Middlesex County clerk. Every one of these races are very close and your vote will count. South Plainfield also has its own question on the ballot. Voters will be asked to vote yes to create a Length of Service Award

Program for volunteer firemen and rescue squad members who perform a minimum amount of service to our community. A maximum of \$500 will be deposited into a tax deferred income account that earns interest for the volunteer.

Running for a three-yearterm for council are Democratic Councilman Ray Petronko, who is seeking his second term and his running mate, Bob Cusick. Republican can-

didates are David Guoth and Ed Lyons. While the democratic candidates have been criss-crossing the town, shaking hands and attending numerous functions, little or no sightings of the republican candidates have been reported and a "meet the candidates night," sponsored by the VFW, had to be cancelled because they could not attend. (See page 8 for more on these candidates.)

Two South Plainfield resi-

dents, Hank Grabarz and John Pulomena, are running for Middlesex County freeholder. Freeholders John Pulomena and H. James Polis, both democrats, are seeking re-election. Pulomena served on our borough council as president and Polis is the former mayor of Highland Park. Hank Grabarz and Carl Perlin are the republican candidates. Grabarz has run for borough council several times and his running

mate Perlin has never held public office.

Running for U.S. Senate are Republican Bob Franks and Democrat Jon Corzine. This race centers on one major issue – that is the amount of his own money Corzine has spent in both the primary and general election – more than \$50 million. Bob Franks, a four-term congressman and a former state legislator has spent only about \$4 million. Despite

On Saturday, Nov. 11 at 2 p.m. Mc-Criskin Home For Funerals located on Plainfield Ave. will be holding a huge balloon release in conjunction with a national campaign sponsored by the National Funeral Directors.

BP Gas Station Robbed Again

During the early morning hours on Tuesday, the BP gas station, located on Durham Ave. was robbed at gunpoint. This is the second time the station was robbed in the past month.

Station employees told police that two men dressed in dark clothing, wearing ski masks entered the station at about 1:30 a.m. One suspect, described as a black male, 5'3" tall, grabbed one of the four employees by the neck and produced a handgun. The robber then demanded money from the register and fired a shot from his handgun into the wall of the office area, apparently trying to intimidate the employees.

The other robber, described as a

white male, 5'8" tall, approached a second employee and demanded the key for the safe. The robber assaulted the employee, punching him in the face and demanding money at the same time. An undetermined amount of cash was given to the robbers, who fled in a stolen car. The car was recovered a short time later in Edison Twp.

The assaulted employee was transported to Muhlenberg Regional Medical Center for treatment.

The investigation is continuing and the police are asking anyone who may have any information regarding this robbery to contact Paul Wylan at (908) 226-7662.

Students from Flo's Piano Studio recently entertained the residents of Ashbrook Nursing Home in Scotch Plains. Flo and her students, dressed in PJ's and held a Pajama Party Sing-A-Long, much to the delight of the residents. See more pictures on page 12.

Billboards Proposed to Board of Adjustment

Tuesday night's Board of Adjustment was held for only one purpose – to ask the board to grant several variances to erect three two-sided billboards, along Rt. 287.

Carole Media, the applicant, is the same company that is responsible for the large billboard placed on Rt. 287

in Bridgewater recently.

Tuesdays meeting heard only part of the first billboard presentation. The case will be carried until the end of November. According the applicant's attorney, Ron Shimanowitz, a permit has already been issued by the DOT. The bill-

board will be placed on Bedford Ave. The v-shaped sign would be 50 feet tall and lighted with five lights on each side from dusk to dawn.

If these variances are requested there will be three billboards placed along the 1.8 miles that run through South Plainfield.

In My Opinion

Dear Editor:

The fifth grade class at Kennedy School went on their trip to Stokes on Oct. 9, 10 and 11. The weather cooperated and the children had a wonderful time.

There is a lot of planning and scheduling involved in making the trip a success. Fifth grade teachers Miss Sosnak, Mr. Montemurro, and Mr. Miller do the planning, but Mr. Miller does the majority of the work. Many hours are spent setting up the learning groups for the children, their table assignments, and the schedule for each child to be a "cruiser" at mealtime. They teach the activities and help the kids to have fun in the process. It's a lot of work, but they are always enthusiastic.

There are other teachers from Kennedy who leave their class and volunteer to come to Stokes to help teach the children different activities, too. This year the teachers were Mrs. Friedman, Mrs. Doyon, Mrs. Luck, Mr. McCann and Mr. Fletcher.

Last but certainly not least is our principal, Mr. Czech. He supports all the necessary moneymaking activities so we can go on this trip. He comes on the trip, teaches some activities and participates in all the others. He's always there for the children! He's the best!

We sincerely thank all of you for taking an interest in our children and helping them to have an experience at Stokes that they will never forget!

STOKES 2000 COMMITTEE

To the Editor,

The "silly season," as this time of year is always referred to, is winding down....but just how silly is it? Raymond Petronko is running for re-election. Due to Ray's diligence and work with the Recreation Com-

mission, we will soon have a long overdue PAL expansion for the youth of South Plainfield.

Due to Ray's perseverance and work with the seniors we will soon have another long overdue project completed—the senior center—and without the use of tax dollars. Ray has even obtained a grant to purchase furniture for the new senior center.

Ray has been improving the parks within our borough again—without using tax dollars. New park equipment, improving the fields and paving...all for our youth in South Plainfield.

Ray's running mate this year is new to politics but not to our borough. Bob Cusick has been actively involved on our planning board and the environmental commission.

Both Ray and Bob are strong advocates for open space. Just look at the corner of Park Avenue and Oak Tree Road. Many developers wanted that corner but Ray spearheaded the motion to obtain a million dollar grant from the Board of Chosen Free-holders to preserve that corner!!!

Both men are dedicated family men who want to make a difference in our community. So as the season is winding down, please take the time out on Nov. 7 to get out to vote, for Raymond Petronko and Bob Cusick It would be silly not to!!!!

DARLENE M. PINTO

Dear Editor:

I am writing to express my frustration with the recent series of errors made by the mail carriers assigned to not only my address, but also my neighbors on surrounding streets with similar house numbers. For obvious reasons, I ask for anonymity. One or two pieces of mail delivered in error are more than understand-

able; after all we are all human. However, in recent months, there has been a continuing pattern of mail appearing at my home which belongs to people several streets away, or people on my street, or to people and businesses that are located nowhere near me. It can be almost overlooked when it is bulk mail or a non-essential piece of mail like a card. A whole different issue exists however when bills and actual credit cards are delivered to the wrong address. I received my neighbor's new credit card, but never received the bill for one of my own. I had to call the company, explain the situation, find out the payment and mailing address, and then ask for another bill to be sent out. The company has been gracious enough to waive the late fee that would have ordinarily have been assessed. I have received frequent flyer travel tickets belonging to people at another address. The instance that finally prompted me to write was when I received a certified mail receipt, left in my mailbox in error. Yes, the intended deliveree had the same house number, but that person lives on a different street altogether.

My first inclination was to send or hand deliver the receipt to the right person, something I have done in the past (once, the same letter came back to my house), but that would accomplish nothing in terms of making my frustration known, so I mailed a letter with the receipt attached to our postmaster. He and I had spoken about this situation on the phone before, and I was assured that he was aware of it and was working to resolve things. Then I received a piece of mail around September 30 with a postmark of August 31. It was wet and faded, and was in fact, something whose whereabouts I had wondered about for the whole month.

To make a long story a little shorter, I have heard nothing in the way of a response from our postmaster. There is enough to worry about without having to worry if the mail is going to come to my house or end up in some other part of town where I may never see it again.

If this is the existing situation now, how much worse can we expect it to be during the holiday mailing madness? Bills still have to be paid, and have to be paid on time, regardless of whether the mail is delivered to the right house or not. Is it too difficult to ask that the mail carrier look at more than just the house number when delivering mail and to try to ensure that mail gets to the right families in the right homes?

SINCERELY, NAME WITHHELD BY REQUEST

zen Committee, is responsible for the expansion of our PAL refurbishing and expanding Putnam Park, new recreation equipment at Pitt Street Park, our Senior Citizen Center and bringing Senior Housing to South Plainfield. Ray is a dedicated man and deserving of your support.

Ray's running mate, Bob Cusick, has served our residents through membership on the Borough Planning Board and the Environmental Commission. Bob is an energetic individual, dedicated husband and father and he will be an asset to the borough.

I ask that you join with me and vote for Ray Petronko and Bob Cusick for South Plainfield Borough Council.

BEST REGARDS, DANIEL J. GALLAGHER, MAYOR

Dear Editor:

Has anybody been reading about the mess that's going on in Edison concerning the proposed drug store where the pond now exists?

Do you know where that drug store was originally supposed to go? Well it was supposed to go at the intersection of Oak Tree Road and Park Avenue right here in South Plainfield, Because of the farsightedness of our mayor and council, we don't have the problem that Edison has. Why? Because they went out and applied for \$1 million dollars in open space funds to permanently protect that corner. Just a few days ago the houses at that intersection were torn down and Putnam Park is now going to be doubled in size.

We in South Plainfield are going to have jogging trails, open spaces and soccer fields rather than an ugly drug store like they are going to be stuck with in Edison. These things don't happen by mistake. It's because of people like Ray Petronko who say let's protect that corner so we can preserve this beautiful open space, while other towns are trying to catch up.

That's why South Plainfield is a great place to live and that's why Ray Petronko and Bob Cusick deserve your vote on Election Day.

WALTER X. KALMAN

Dear Editor:

Some decisions in life are very difficult and some are very easy. Who I am going to vote for in this year's election is easy. My vote will be given to the Democratic team of Ray Petronko and Bob Cusick. After talking to them at length at my home a few weeks ago, I know without a

doubt that they are the best qualified candidates to represent MY interests on the governing body. They explained their vision for the future of our town and had a plan to reach those goals. Both Ray Petronko and Bob Cusick fully endorse the democratic initiative of Democracy Day. . Both Ray and Bob believe that we can continue the programs the current mayor and council have started. Road improvements, maintaining a stable tax rate, improving our recreational facilities and enhancing our programs and facilities for our seniors are just a few programs they mentioned. They also fully support the length of service award program for our volunteer firefighters and rescue squad personnel. That is an excellent program for our community and Pm glad to see that they believe in our volunteers. Both Ray and Bob seem to be level headed and fair people who just want to make South Plainfield the best community possible.

If you are like me and also believe in these worthwhile programs, then go out on November 7 and cast your vote for the Democratic team of Councilman Ray Petronko and Bob Cusick.

FRANK FERINO

To the Editor:

In these times, many of our public officials seem to get apathetic after they have been in office a few years, but not Councilman Ray Petronko. He just seems to be getting more and more organized. I remember three years ago when Ray was first elected, he promised to fix up our borough parks. Well, low and behold, Putnam Park and Shadyside Park have been improved and now he's working on Pitt Street Park. If that isn't enough, he worked very hard to make the PAL expansion a reality. What a wonderful recreation facility it's going to be when it is completed. But that shouldn't surprise anyone. We have Ray working everyday for us and our children. What else could we ask for.

On Tuesday, November 7, please join me in reelecting Councilman Ray Petronko and elect his running mate Bob Cusick to the Borough Council. We deserve the best representing our interests and that is certainly Ray and Bob. Thank You!

WILLIAM A. NAGY JR.

The 1969 alumni are planning a special "Golden 50th Birthday" Class Reunion for May of 2001, to be held as an all day outdoor event at Forest Lodge in Warren. Many people from a diverse range of graduating classes find the idea of a multiclass reunion appealing. It offers an excellent way to renew old friendships. Some classes lack either reunion coordinators, sufficient number of alumni or both.

In view of this interest, we, of the Class of 1969, have opened the invitation for the event to all SPHS alumni. The 60's Boardwalk theme will not only celebrate the class of 1969, but all those who once walked the halls of South Plainfield High School.

Please pass the word to any and all alumni you have contact with. If they have an interest, please contact either Sandy Spisso Connelly or Bobby Cobb at the following email addresses: spdcon@aol.com or racobb@epix.net.

Blood Drives

ARC/Tri-County Chapter and NJES are partners collecting blood to supply the necessity of hospitals in our region. Around four million people are in need of blood every year, in our country. The majority of those people would die if the blood would not be available. Blood is needed for emergencies and as a way of life for thousands of people. People who suffer from cancer, leukemia, heart disease, sickle cell ane-mia and other major diseases need blood on a regular basis to survive. We continue to seek out volunteers to give blood and save lives.

To donate, a person must be between 17 and 75 years old. 17 years old in New Jersey require parent's written permission to donate. Must weigh a minimum of 110 pounds and be in good health. The whole process takes around 45 minutes but the actual blood donation just takes 6-8 minutes. You may donate every 56 days and you can resume all normal activities after donating.

Following are upcoming blood drives for November.

Resident Turns Hobby into 27-Year Passion

By Patricia Abbott

More than 25 years ago South Plainfield resident Dev Joshi turned a hobby and a commitment to community service into a popular radio program. He watched the steady growth of the South Asian community in Central New Jersey and saw a need for cultural programs.

His insight blossomed into the radio program, Glimpses Of India. The program, heard on WRSU 88.7FM, the Rutgers flagship station, is the longest continuous community program of its kind in the U.S. Dev has been the host and producer of the unique weekly show for 27 years.

The radio program offers listeners a variety of songs, community events announcements, interviews and more. The program has come a long way since its inception. It began as a prerecorded show on Saturday. Seven years later it went live; Live and Lively can be heard on Sunday afternoons.

"Glimpses of India" recently held its Silver Jubilee at the Chutney Manor in South Brunswick. The anniversary was celebrated with a live remote broadcast from the location and aired on WRSU. The live audience consisted of about 300 people as well as several thousand loyal listeners in the Central Jersey Area. Both audiences enjoyed performances of folk and classical dancing, regional and popular songs.

During the event Dev was honored by the Asian Indian Chamber of Commerce and various business, community and political leaders including Frank Pallone and Jon Corzine. Mr. Ravi, music director of Bollywood film industry (an Asian film equivalent to Hollywood), was a special guest at the jubilee. He gave an impromptu vocal and music per-

offering the audience a glimpse of his life and career never before revealed. The success of the evening is attributed to the hard work of Dev Joshi and the "Glimpses Of India" team, WRSU management, devoted longtime listeners and support of the local community and business leaders.

Dev and wife Reshma have lived in South Plainfield for 16 years. They have four children, David and Kunal in college; Kevin attends SPHS and Tanya is a first grade student at Franklin School. Dev coached recreation soccer and basketball for eight years. Dev has worked at Colgate Palmolive for 30 years as a scientist in global research and development. He is involved in various community

activities and diversity issues. He started the Asian American Group at Colgate and served as a spokesperson to the management. He has organized various concerts with artists from India and has conducted diversity workshops at various area schools /churches/community gatherings.

He is also involved with radio station WCNJ which started a 24 hour, 7 day a week, Indian radio program. Dev's "Glimpses of India" can be heard on three FM stations 88.7, 89.3 and 91.9 as well as over the Internet. During the Indian holiday Diwali, listeners from the South Asian community can turn on the radio and feel at home as Dev shares his Glimpses of India with music and more.

Come and See for Yourself! Hallmark Cards and Gifts

From the South Plainfield Library

Bookmanks

By Kenneth Morgan

Okay, let's put away the bats and clean up the cobwebs and candy wrappers. But, before you get the turkey and pilgrim pictures out, here's news from the South Plainfield Library:

At this writing, there's still open space available for the Scrapbooking program led by Dayle Giammarino. The program is set for tonight at 7 p.m. There's an admission/materials charge of \$8. Bring your photos and yourself; everything else will be provided. You can sign up at the main desk, or call us at (908) 754-7885.

Here's a review of our operating hours for the coming week. We'll be closed on Tuesday, Election Day. We'll be closed next Friday and Saturday in honor of Veteran's Day. We'll reopen the following Sunday from 1:30 to 5 p.m.

The next meeting of the Friends of the Library is set for Tuesday morning at 10 a.m. Everyone, both members and non-members, is welcome to attend.

We'll follow our normal schedule of children's Storytime programs next week. Those programs are held on Tuesday morning at 10:30, Wednesday evening at 6:30 and Thursday afternoon at 1:15. They're for children ages three and over; no pre-registration is required. If you'd like more information, give us a call and ask for Children's Librarian Linda Hansen.

There's a new group of tapes from the Video Circuit in place and available for borrowing. Videos go out, four at a time, for two days: Meanwhile, we've received four new books on CD from the Audiobook Circuit. The tiles in this group are Duplicate Keys by Jane Smiley, Black and Blue by Anna Quindlen, A Walk to Remember by Nicholas Sparks and Blue at the Mizzen by Patrick O'Brien. You can pick these items, or any of the library's own books on CD, at the main desk. They go out, four at a time, for two weeks.

We've just added two new displays to our main display cabinet. The lower shelves feature "Thomas the Tank Engine" memorabilia, courtesy of local resident/staff member Cheryl Keraga. The upper shelves feature a few of our South Plainfield coverlets. This is a bit of a reminder that there are still coverlets available, if you'd like one. They cost \$35 each and come in blue and white; there are a-limited number of them left and when they're gone, this offer will not be repeated. (Sorry if we sound like an infomercial here.) Think "Holiday gifts," folks.

Here's a note to those of you who don't own cell phones: There are functioning pay phones out on the corner and inside Borough Hall. We'd prefer that you use them if you need to make a call. However, to be courteous, we will allow you to make a call from our phones, if you don't have change or something like that. But this is meant for emergency use only, not for idle chitchat. Please don't abuse the privilege. And thanks for your consideration

That's all for this week. Thanks for reading; see you next time.

Girl Scouts Celebrate an Early Halloween

Story/photos by Patricia Abbott

On Saturday, Oct. 28, Girl Scout Senior Troop 259 got a jump start on Halloween when Riley School hosted their Daisy and Brownie Costume Party.

The afternoon featured games, feely boxes, a fortune teller, hands-on crafts and refreshments. Contests included a freeze dance game, costume contest and the wrap your leader like a mummy

Treats galore were available and served in the spirit of the day, such as fishing in a vat of bubbling witches brew, making popcorn hands, games of chance and a real fortune teller.

The children were disguised as everything from a prima ballerina to a powder puff girl, along with vampires and cowgirls and everything in between. They danced to a DJ with friends, moms and leaders. Everyone who attended went home with prizes and goodies.

The event was attended by more than 75 people, plus the girls from Troop 259, who planned and ran the event and the girls from Troop 214, who assisted with the party.

The girls from Troop 259 want to thank all the troops who attended and a special thanks to Mr. Artie Sabino for all his help that day.

If you were one of the recent recipients of our yellow subscription renewal cards, please note that the renewal rate is \$25 for a one-year subscription (in town) and \$30 for a one-year out-of-town renewal.

Sorry for the mix up.

We're having a party!.. and a lovely Christmas Tea... and lighted candles... and sparkling ornaments on the tree! With music, goodies, and fun. We'll make our Christmas Open House a joy for everyone.

UNICEF is celebrating 50 years of "kids helping kids." It began with a group of children in Philadelphia after World War II. They wanted to help the children of China and Europe.

For Halloween, they decorated milk cartons and began the "trickor-treat" for UNICEF program. They only raised \$17, but since then children have raised as much as 1.5 million dollars. The majority of the money that is donated goes to helping over 160 countries with health care, safe water/sanitation and education. Not only do they provide them with money, but with knowledge so that they too can educate those in the future on how to plant or medicate others.

Third grade Social Studies teacher Teresa Luck has incorporated the UNICEF program within the school curriculum. The children have been able to learn about a variety of countries, where they are located, and the problems that they are facing. They really have learned the concept of "wants" and "needs" and discussed that what they "need" are also the "wants" of those children who need UNICEF's assis-

From the Democrats

Raymond Petronko and Bob **Cusick Thank Residents**

Democrat Raymond Petronko and his running mate, Bob Cusick this week reflected on this year's council campaign. Ray Petronko said, "I can't believe next Tuesday is Election Day. It seems like yesterday that Bob and I were marching in the Labor Day Parade. The nicest thing about running for council is campaigning door to door. Over the last eight weeks, we have visited almost 6,000 homes in South Plainfield and it's

been great!":

Bob Cusick echoed his running mate's thoughts, "Going door to door gives us the opportunity to meet you and to find out what you think needs to be done to keep South Plainfield the best town in Middlesex County. I learned a lot about our neighborhoods which will better prepare me if I am fortunate enough to be elected to the Borough Council."

Raymond Petronko summed

up the Democrat's feelings saying, "Overall, I think most of our residents are pleased with what has been accomplished by the new Democratic majority over the last six years. But we can never become complacent. There are always new challenges and more things that need to be done. You have mine and Bob's commitment to continue to work as hard as we can to "Keep a Good Thing Going" in South Plainfield.

Fladger, Guevara Lead U13 Lightning

The South Plainfield Soccer Club U13 Lightning team posted its third win of the season defeating the Greater Flemington Fire 5-1 in Flemington last Sunday.

Brian Guevara had two goals and one assist and Matt Fladger had one goal and two assists in the game. With this win, the Lightning improved their record to 3-2-1. Michael Hanley scored in the 8th minute, running on to a ball from Matt Fladger and beating the Flemington keeper. Fladger scored minutes later deflecting a high pass from Travis Noll into the net. Brian Guevara fed Brian Kelly five minutes later, and Kelly finished placing a difficult shot inside the post.

Moments later, Steven Lindgren just missed the goal, bouncing a 20 yard shot off of the crossbar. But Lindgren then connected with Guevara and his quick shot was true for the forth goal of the half. Fladger and Guevara connected midway through the second half, Guevara's first shot was blocked by the goalie, but he handled the rebound and pushed it in for the score...

The Lightning defense turned in a good effort, with goalkeeper Nick Kratz coming up with several big saves. Matt Gross, Chris Weakley, Matt Doell, and Brian Spisso stifled Flemington's offensive play, and Matt Jeglinski, Ike Ejiochi and Ryan O'Shea helped the Lightning's offense by controlling play in the midfield.

Blaze U-12 Girls Dealt First Loss

Blaze U-12 Girls traveling soccer team dropped a 2-nil decision to Middlesex Mashers this past Sunday. A relentless attack was met by a gallant effort from our girls as both strikes from Middlesex came midway through the second half. In as keeper Becky Keller, blocked numerous shots on goal and has allowed only two scores all season.

Fullbacks Ashleigh Gaspari, Tiffany Smith, Megan Boyle and Katelyn Conrad gave us great effort in trying to stop an intimidating attack.

Trading places in our sweeper positions Elizabeth Flannery and Jackie Miller fought hard in our defensive third. While stopper Jenna Delillo, along with our halfbacks Dorian Bishop, Jennifer Copeland, Lauren Fry, Ashley Little and Joy Maszczak gave us a valiant effort in a raging battle in the middle. Numerous breakaways from our attackers Kate Hardy and Denise Lopez were shut down by a well-organized opposing defense. This game puts our record at a very impressive 5-1-1 with three games remaining. Hold your heads up girls it was a great effort! Conversely, every attempt

another three years. I am writing this letter to talk about my running mate, democratic candidate Bob Cusick. Running for borough council is no easy task. It is a daily commitment that requires much more than time and energy. Bob wants what he calls "the opportunity of a lifetime," to become part of the team that is your mayor and council. He is willing to work hard for the borough, and give the residents the voice they need. Bob has the determination and personality to keep South Plainfield on top. There are a lot of people that would like the opportunity to become a councilperson, but only a few can give the necessary attention it takes to serve the Borough. The person who can do the job, and do it well, is Bob Cusick.

As a Planning Board member for many years, Bob Cusick projects professionalism and excellent communication skills, which are essential to becoming a public servant. Bob is also on the Environmental Commission, where his attention to detail and energy has made him an excellent choice for councilperson. The mayor and council are fortunate to have located such a talented individual.

I have had the pleasure to walk with Bob for seven weeks and visit over 5.000 homes in 11 voting districts. (Yes 5,000 homes!) Bob and I are very much alike. We take walking through the borough very seriously, but know how to make it fun. Bob likes the opportunity to walk door to door realizing this gives the Borough residents a chance to meet and talk with us. Bob has met with support, and with residents that have issues. He listens to these concerns and follows

COUNCILMAN RAYMOND S. PETRONKO

To the Editor:

Ray Petronko and Bob Cusick deserve your support for Borough Council so they we can continue to make South Plainfield a better place to live. You only need to look around town and you can see the accomplishments of the Democrats. Construction has started on an improved PAL building and we will soon have a senior citizen center and a brand new senior housing. Ray Petronko has led the charge the past three years on improvements to our parks and making life better for our senior citizens. The Democrats have kept their promises and it's time to elect the people who keep their word. Elect Ray Petronko and Bob Cusick to the Borough Council on Election Day.

CHARLES W. HANELY

Dear Editor,

I would like to take this opportunity to thank the mayor and council for appreciating the veterans and naming new streets in honor of them. I was happy to hear that we are going to have a "Pisaniello Court" in honor of my father who was a veteran of WWII. I would like to thank Mr. Petronko for his assistance in obtaining the information for me. It was great speaking with him, as we can talk history for hours at a time. I also plan on helping his father get the medals he deserves for being wounded in WWII.

TONY PISANIELLO

Dear Editor,

During this campaign, I have found Ray Petronko to be more than a running mate. Ray is a true friend. While walking 13 out of 15 Voting Districts, Ray has shared his knowledge and love of our town.

His experiences while serving our community the last three years as councilman have helped me understand what the people of our town are all about, and what they expect of a councilperson.

His energy and enthusiasm are contagious. Ray is a true leader in our community.

On Election Day it will be my pleasure and a privilege to support Ray Petronko for Borough Council. I encourage you to do the same.
